The screenshot displays the IBM Cognos Analytics with Watson web application. The browser's address bar shows the URL `https://us1.ca.analytics.ibm.com/bi/?perspective=home`. The page header includes the title "IBM Cognos Analytics with Watson", a user profile icon, and a search bar. A green notification banner at the top states: "Railway Traffic in all regions.xlsx was uploaded successfully." with a "Hide Details" link. The main content area features a large heading "Hello. Welcome to Cognos Analytics with Watson." followed by a paragraph: "You can get started right away by taking a look at our introduction video, product tour and Getting Started tab." Below this text are two buttons: "Watch video" and "Take a product tour". To the right of the text is a 3D isometric illustration of a central blue cube structure connected to various data-related icons like a server, a person at a computer, and a bar chart. Below the main content area is a "Quick launch" section with four placeholder tiles, each containing a different icon. The Windows taskbar at the bottom shows the time as 7:02 PM and the language as ENG.
